

CARNCOT INDEPENDENT SCHOOL

Before- and After-School Care

Term 1 2019

Dear Parents and Caregivers

At Carncot School, we are pleased to offer a before- and after-school-care programme.

We have employed Natasha Print, who is an experienced provider of this type of programme, coming to us from the local 'School's out' programme. Natasha describes herself as, "an enthusiastic, bubbly person who has a passion for providing quality education for children and ensuring a positive beginning to children's lives". Natasha graduated in March 2019 from UCOL with Level 5 New Zealand Diploma of Early Childhood Education, and intends continuing studying towards her Bachelor of Teaching.

To ensure that we have accurate records of exactly which children are being cared for in our programmes each day, it is imperative that parents who wish to use this service on either a regular or casual basis register on the attached form. In the case of a last minute casual booking being required, please telephone the school office prior to 2.30pm so that we can advise your child's class teacher of the arrangement for that day.

Natasha will keep attendance records, and we will invoice parents monthly according to the charges set out below.

Before-School Care Programme

Each school day, Natasha will offer supervised care for children who need to be dropped off at school prior to our regular opening time of 8.15. This will be provided in our library. The programme will be available from 7.45am.

- 7.45 Programme opens
- 8.15 Children move to classrooms

After-School Care Programme

Our after-school programme will offer children simple afternoon tea snack options and a chance to unwind at the end of the school day, prior to providing a 45-minute period of quiet time for homework to be completed.

- 3.10 Children report to the programme supervisor in the library to check-in for the day. Simple, healthy afternoon tea options provided. Outdoor/indoor games and activities.
- 4.00 Supervised homework time. Then as, homework is completed, individual quiet activity time will follow (e.g. reading, drawing, puzzles).
- 4.45 Group board games, outdoor/indoor activities offered.
- 5.30 Final pick up time

If you have any questions, please do not hesitate to make contact through with Andrea in the school office, or directly to Natasha on 027 816 5753.

Owen Arnst
Principal
